ABOUT NINE 14, INC

Nine 14, Inc. is committed to excellence and prides itself as an emerging leader in providing IT services and solutions. The team brings over 125 years of corporate IT and DoD Command and Control (C2) experience amassed by the individuals that make up the company's core staff. As mandates increase across all industries for IT Support, Cyber Security, Health IT, and implementation to SaaS and Cloud computing we are primed to champion these requirements as industry certified and experienced client advocates to drive maximizing innovation and efficiencies.

COMPANY CERTIFICATIONS

- CAGE CODE – 77CR3
- DUNS NUMBER - 079510036
- SDVOSB (VERIFICATION PENDING)
- SMALL DISADVANTAGED BUSINESS (SELF CERTIFIED)

PAST PERFORMANCE

- State of Georgia DNR Refresh Project: Directed project for DNR unit (2400 State employees, 120 locations, \$550M State revenue) to refresh 200 devices in 6 weeks.
- Client Solutions Architect: Led 100 client and Dell personnel to support 5 key departments for State of Georgia. Acted as State advocate, collaborated with State and Dell leaders, managed expectations, and ensured satisfaction.
- County Government Court Case Management Conversion: Drove Quality Assurance for the data conversion of a legacy system to a SaaS solution. Teamed with the primary contractor MYP to validate converted data results for the vendor for investigation, resolution, and deployment.
- YP.com: Supported 5 regional data migrations to the IBM Cognos SaaS solution from legacy Sales Compensation system at YP. Successfully executed SDLC methods for the organization to drive cross functional projects, system performance, release management, change management, and vendor management.
- Customer Success Management: Provided Callidus Cloud SaaS solutions for complex requirements that included onboarding, data migration, data delivery, and technical support for clients ESPN, Lenovo, Metro-PCS, Konica Minolta, Ethicon, Home Depot, Citrix, and LabCorp.
